

Salta, April 4, 2022

We are pleased to announce that the “**Science with LLAMA**” Workshop will take place in the **City of Salta, Argentina**, between **September 5 and 9, 2022**. This event is an opportunity to bring together the international astronomical community in anticipation of a new high-altitude radio observatory and it will consist of invited lectures, oral communications and poster presentation between **September 5 and 8**.

**On September 9**, participants are invited to visit the LLAMA’s Headquarters in San Antonio de los Cobres (180 km far from Salta and at 3600 m of altitude).

You are invited to visit the web page of the meeting:

<https://www.llamaobservatory.org/ws2022/home.html>, where the most Important information will be found.

For general inquiries about the meeting, please contact the Organizing Committee by email at [infollama2022@gmail.com](mailto:infollama2022@gmail.com).

Registration for the event is open from April 4th, 2022. It is necessary that all people who wish to participate complete the registration form that is available at the following link:

<https://www.llamaobservatory.org/ws2022/registration.html>

We greet you sincerely, and we hope to see you in Salta!

**Local Organizing Committee**
