

I A T E

Dear Colleagues,

We are pleased to announce the **4th Regional Extragalactic Astronomy Meeting: 60 Years of the Sersic Law**, which will take place in Cordoba city, Argentina, from December 4th to 7th, 2023. This meeting is being held in commemoration of the 60th anniversary of the publication of the Sersic Law (Sersic, 1963). In the 1960s, Dr. Sérsic created the Extragalactic Astronomy Department of the Córdoba Astronomical Observatory, predecessor of our Institute today.

The meeting will bring together researchers from around the world to discuss the latest developments in extragalactic astronomy, both from the observational and theoretical sides.

The Scientific Organizing Committee is composed by:

- Dr. Laura Silva (INAF - OATS, Italy)
- Dr. Carlton Baugh (Durham University, UK)
- Dr. Michael Strauss (Princeton University, USA)
- Dr. Patricia Tissera (Universidad Andrés Bello, Chile)
- Dr. Carlos Donzelli (IATE, OAC, Argentina)
- Dr. Gian Luigi Grantto (INAF - IATE, Italy - Argentina)
- Dr. Vladimir Avila Reese (UNAM, Mexico)
- Dr. Laura Sales (University of California, Riverside, USA)
- Dr. Yanchuan Cai (Royal Observatory Edinburgh, UK)
- Dr. Alexander Knebe, (Universidad Autónoma de Madrid, Spain)

We are currently finalizing the details of the event, including the agenda, speakers, venue, registration fees and abstract submission deadlines. We encourage you to mark your calendars and save the dates for what promises to be an engaging meeting. Please note that the meeting starts the week following the Latin American Regional IAU Meeting (Montevideo-Uruguay).

Thank you for your attention, and we look forward to welcoming you to Cordoba city.

Best regards,

The LOC

Nelson Padilla, Cinthia Ragone Figueroa, Héctor J. Martínez, Valeria Coenda, Mario Abadi, Patricio Colazo, Selene Levis and Viviana Vertazzi
