2 WORKSHOP
ASTRONOMY beyond the COMMON SENSES
for accessibility and inclusion

Astronomía más allá de los sentidos
para la accesibilidad y la inclusión

NOVEMBER **17-18**
2021 Virtual

Second Announcement

We have the pleasure to announce the **Second Workshop on Astronomy Beyond the Common Senses for Accessibility and Inclusion**. This is an interdisciplinary meeting with participation of astronomers, educators and disability specialists. This workshop provides an opportunity to continue promoting new strategies, working toward specific objectives, sharing experiences and discussing recent applications.

This virtual workshop will be held on November 17-18, 2021

Scientific Organizing Committee:

Santiago Vargas Domínguez (Chair) – *Universidad Nacional de Colombia (Colombia).*
Beatriz García – *Instituto de Tecnologías y Detección en Astropartículas,*
CNEA, CONICET, UNSAM (Argentina)
Angela Pérez – *Planetario de Medellín (Colombia)*
Nicolás Vásquez – *Escuela Politécnica Nacional (Ecuador)*
Sonia Duffau – *Associated Universities Inc., National Radio Astronomy Observatory (Chile)*
Gary Hemming – *European Gravitational Observatory (EGO) | REINFORCE*

Local Organizing Committee:

Andrés Molina – *Universidad Nacional de Colombia*
Erika Hernández – *Universidad Nacional de Colombia*
Silvina Pérez Álvarez – *Instituto de Tecnologías y Detección en Astropartículas,*
CNEA, CONICET, UNSAM (Argentina)

Key speakers:

Stavros Katsanevas – *European Gravitational Observatory*

Gary Foran – *Swinburne University of Technology*

María del Carmen Argudo Fernández – *Pontificia Universidad Católica de Valparaíso*

Dayna Thompson – *Charles W. Brown Planetarium – Ball State University*

Registration

The registration to the Workshop is free (*deadline: November 10, 2021*)

Contributions

We encourage you to send an abstract for oral and/or poster contributions. Conference proceedings will be published in the Revista Mexicana de Astronomía y Astrofísica – Conference Series.

Abstract submission deadline

- Contributed talk: September 30, 2021
- Poster: October 15, 2021
